Adams/Hwy 16 S

Dogologie.

DOG LOVER'S GUIDE

The Hill Country is culinary and wine adventure. If you're here, it's important to know where you and your dog will get a warm welcome from the wait staff. We maintain an active list of the following dog-friendly restaurants, bars, wineries, and breweries. Many of these establishments may require you to stick to outdoor seating, so if they're on this list it's still worth asking what their rules are.

Where to Eat
